LOW-FIDELITY WIREFRAME DOCUMENT

ELV HUB

Website Sitemap & Wireframe Structure

Website Structure, Page Hierarchy & User Flow

Black-and-white structural blueprint of the current website draft. This document maps existing pages, navigation, homepage sections, and CTA destinations — for clarity of structure and user journey.

WEBSITE DRAFT
elvhub.appointics.com

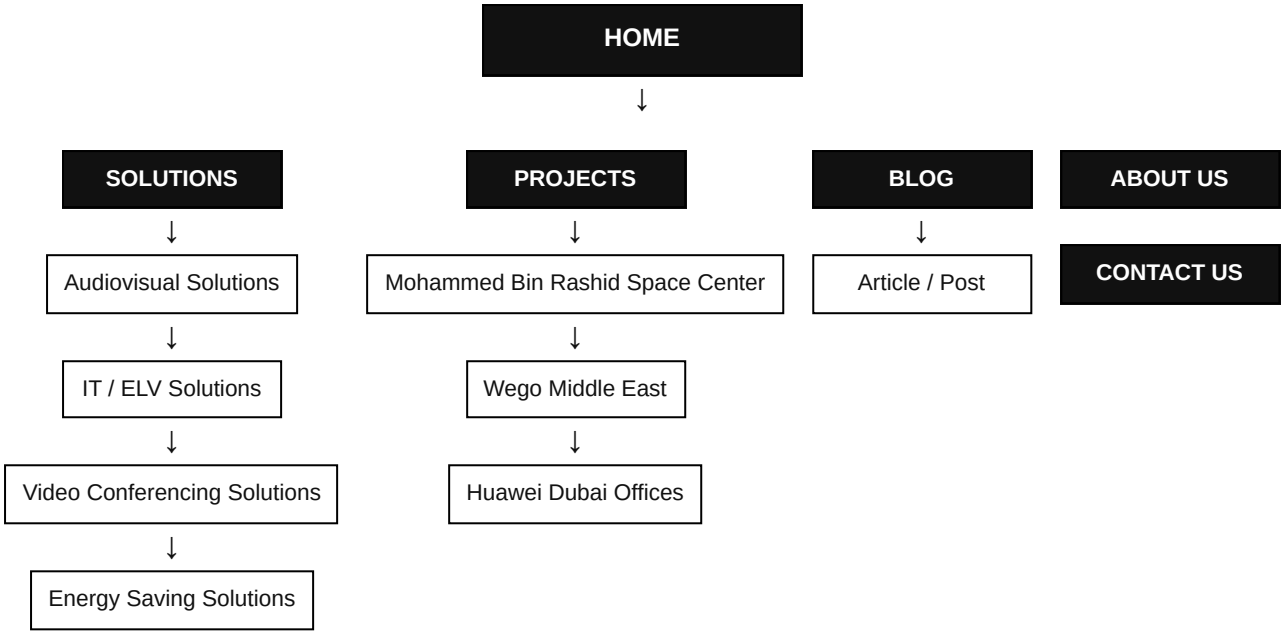

VERSION
2.0

DOCUMENT TYPE
Sitemap + Low-Fidelity Wireframes

SCOPE
Current draft structure only

01 — Full Website Sitemap

Hierarchy below reflects the pages and relationships present in the current draft website.

```
HOME  (/)
│
├── SOLUTIONS  (/solutions/)
│   ├── Audiovisual Solutions  (/audiovisual-solutions/)
│   ├── IT / ELV Solutions  (/it-elv-solutions/)
│   ├── Video Conferencing Solutions  (/video-conferencing-solutions/)
│   └── Energy Saving Solutions  (/energy-saving-solutions/)
│
├── PROJECTS  (/projects/)
│   ├── Mohammed Bin Rashid Space Center  (/ip-telephony/)
│   ├── Wego Middle East  (/networking-products/)
│   └── Huawei Dubai Offices  (/huawei-dubai-offices/)
│
├── BLOG  (/cisco-2/)
│   └── Article posts (e.g. project / insight articles)
│
├── ABOUT US  (/about-us/)
│
└── CONTACT US  (/contact-us/)

Note: “Trusted brands” appears as a section on pages (not a separate main page).
Note: Homepage also lists “Security & Surveillance” as a solution card;
      it currently links to the Solutions overview (no separate detail page).
```

03 — Homepage Wireframe (Part 1)

Sections follow the top-to-bottom order of the current draft homepage.

01 — HERO

[Background Video / Image Area]

[Main Heading]

[Supporting Text]

Explore Solutions | **Get a Free Consultation**

Stat	Stat	Stat	Stat
Years in the UAE	Projects delivered	Technology partners	Certified engineers

Purpose: Introduce ELV Hub and state what the company does (AV, IT/ELV, Security — design, supply, install, maintain).

CTA flow: Explore Solutions → SOLUTIONS (/solutions/) · Get a Free Consultation → CONTACT US (/contact-us/)

02 — WHO WE ARE

[Heading: region's leader…]

[Company introduction text]

Our Story | **See our work**

- BICSI Certified
- AVIXA Members
- USGBC LEED Professionals
- Manufacturer Authorised Partner

Purpose: Establish company credibility and certifications.

CTA flow: Our Story → ABOUT US · See our work → PROJECTS

03 — SOLUTIONS OVERVIEW

[Section heading: AV, IT & Security technology…]

01	02	03	04	05
Audio Visual Solutions	IT / ELV Solutions	Video Conferencing	Energy Saving Solutions	Security & Surveillance

Purpose: Show the main solution categories at a glance.

CTA flow: Cards 01–04 → matching Solution detail pages · Card 05 Security → SOLUTIONS overview (/solutions/)

04 — SPACES / APPLICATIONS

[Heading: Every space. One integrated experience.]

[Supporting text]

Boardrooms	Auditoriums	Lecture Halls	Command & Control Rooms
Conference Centres	Hotel Ballrooms	Training Centres	… + more space types

Purpose: Show where solutions are applied (room / venue types).

CTA flow: No page-level CTA confirmed in this block (informational).

03 — Homepage Wireframe (Part 2)

05 — HOW WE WORK

[Heading: Design. Supply. Install. Maintain.]

01 Consultancy & Design	02 Project Management	03 Implementation	04 Annual Maintenance

Plan Your Space

Purpose: Explain the delivery process end-to-end.

CTA flow: Plan Your Space → CONTACT US

06 — TRUSTED BRANDS

[Heading: Trusted brands, expertly integrated]

[Manufacturer / partner logo strip]

Purpose: Show technology brand partnerships.

CTA flow: Logo strip — no separate Partners page in current draft.

07 — FEATURED PROJECTS

[Heading: Work that keeps the region connected]

MBRSC	Wego Middle East	Huawei Dubai Offices	Habtoor Grand Resort & Spa	Smart Classrooms

View All Projects

Purpose: Present selected project proof points.

CTA flow: Project cards → related Project detail pages (where linked) · View All Projects → PROJECTS · Wego card → /networking-products/

08 — SECTORS

[Heading: Sector expertise you can build on]

Education	Hospitality	Oil & Gas	Corporate	Government

Purpose: Show industries served.

CTA flow: Informational sector cards (no separate sector pages in current draft).

09 — WHY ELV HUB

[Heading: Innovative, reliable and future-proof]

Certified specialist team	Manufacturer-direct partnerships	End-to-end accountability	Proven UAE landmark projects

Purpose: Summarize key reasons to choose ELV Hub.

10 — TESTIMONIALS

[Heading: Trusted by the best in the region]

Testimonial 1	Testimonial 2	Testimonial 3

Purpose: Social proof from clients.

11 — LATEST FROM ELV HUB (BLOG)

[Heading: Latest from ELV Hub]

Article card + Read More	Article card + Read More	Article card + Read More

View all articles

Purpose: Surface recent articles / project stories.

CTA flow: Read More → Article URLs · View all articles → Destination to be confirmed (#)

12 — FAQ

[Heading: Got Questions? We Have All The Answers]

[Accordion question / answer list]

Purpose: Answer common pre-sales questions on the same page.

CTA flow: Accordion expands on same page section.

13 — CONTACT / CONSULTATION BAND + FORM

[Heading: Let’s bring your vision to life]

Call

Email

WhatsApp Business

Office address

[Request a Free Consultation form]
[Name / Contact fields]
[Send Enquiry]

Purpose: Convert the visitor into an inquiry.

CTA flow: Call / Email / WhatsApp → direct contact channels · Form submit → enquiry submission (same page form)

14 — FOOTER (GLOBAL)

Logo + address + phone + email

Solutions links

Company links
(About, Projects, Blog, Contact)

Business hours

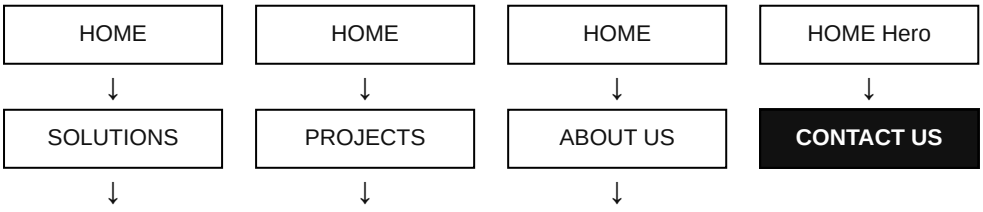

CTA flow: Footer links → matching pages listed in sitemap.

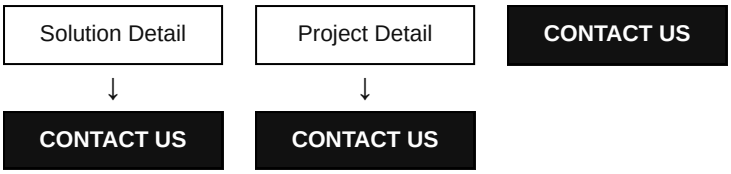

04 — Homepage User Flow

How a visitor moves through the current draft homepage, top to bottom.

05 — Solutions Overview Page

Page: /solutions/

[HEADER] — SAME GLOBAL HEADER

Logo · Solutions · Projects · Blog · About Us · Contact Us · Request A Quote

01 — PAGE HERO

[Heading: We provide the best technology solutions]

[Supporting line about integrated AV / IT / VC / Energy]

Purpose: Introduce the Solutions hub.

02 — SOLUTION CATEGORY CARDS

Audiovisual Solutions
→ /audiovisual-solutions/

IT / ELV Solutions
→ /it-elv-solutions/

Video Conferencing Solutions
→ /video-conferencing-solutions/

Energy Saving Solutions
→ /energy-saving-solutions/

Purpose: Route visitors into each solution detail page.

03 — TRUSTED BRANDS

[Logo strip: Trusted brands, expertly integrated]

Purpose: Reinforce manufacturer partnerships on the Solutions hub.

04 — END CTA BAND

[Ready to bring your vision to life?]

Call us	Email us	Visit us

CTA flow: Call / Email / Visit → contact channels · path continues to CONTACT US via header / footer.

06 — Individual Solution Page Structure

Shared structure used across solution detail pages in the current draft (example pattern from Audiovisual / IT-ELV / Video Conferencing / Energy Saving).

```
HOME → SOLUTIONS → [SOLUTION DETAIL] → CONTACT US / Form enquiry
```

01 — SOLUTION HERO

[Solution name]

[Short solution summary]

Purpose: Confirm which solution the visitor is viewing.

02 — OVERVIEW / INTRODUCTION

[Longer description of the solution and delivery approach]

Purpose: Explain scope and value of this solution.

03 — APPLICATIONS / ROOM TYPES / KEY AREAS

Application card	Application card	Application card

Purpose: Show where / how the solution is used.

Examples in draft: Auditoriums, Lecture Halls, Boardrooms (AV) · Structured Cabling, Data Center, IP Telephony (IT/ELV) · Desk / Huddle / Medium / Large rooms (VC) · Lighting, HVAC, Solar (Energy).

04 — CAPABILITIES / FEATURES LIST

[Bullet capability list / feature grid]

Purpose: Detail what can be delivered under this solution.

05 — BRANDS WE INTEGRATE

[Brand logos for this solution]

Purpose: Show relevant technology partners for this category.

06 — INTERESTED IN THIS SOLUTION? + FORM

[CTA heading]

[Request a Free Consultation form]

CTA flow: Form enquiry · Request a consultation / Get a quote → CONTACT US (where linked)

07 — END CTA BAND + FOOTER

[Ready to bring your vision to life? — Call / Email / Visit]

CTA flow: Contact channels → phone / email / office · Header Contact Us → CONTACT US page

Solution pages in current draft

PAGE	URL
Audiovisual Solutions	/audiovisual-solutions/
IT / ELV Solutions	/it-elv-solutions/
Video Conferencing Solutions	/video-conferencing-solutions/
Energy Saving Solutions	/energy-saving-solutions/

07 — Projects Structure

```
HOME → PROJECTS → PROJECT DETAIL → CONTACT US
```

Projects overview — /projects/

[HEADER]

Global header (same as other pages)

01 — PAGE HERO

[Heading: Delivering ICT/ELV projects…]

[Supporting text about standards, warranty, maintenance]

Purpose: Introduce the projects portfolio.

02 — FEATURED PROJECT BLOCKS

01 — Ground Station / Command & Control Room (MBRSC)
CTA: View Project Details → /ip-telephony/

02 — Wego Middle East full AV and IT Infrastructure
CTA: View Project Details → /networking-products/

03 — Huawei Dubai Offices in BayGate Towers
CTA: View Project Details → /huawei-dubai-offices/

Purpose: Showcase key projects with links to detail pages.

03 — TRUSTED BRANDS

[Brand logo strip]

04 — END CTA + FOOTER

[Ready to bring your vision to life? — Call / Email / Visit]

Get a Free Consultation

CTA flow: Get a Free Consultation → CONTACT US

Project detail page pattern (example: Huawei Dubai Offices)

PROJECT DETAIL SECTIONS

- **01 Hero** — Project name, client, location, tags
- **02 Overview** — Project story / summary
- **03 Key metrics** — Highlight numbers (rooms, video wall, etc.)
- **04 What we delivered** — Deliverable cards / list
- **05 Delivery process** — Consult → Supply → Install → Commission → Support
- **CTA** — Get a Free Consultation / Back to all projects / Contact channels

CTA flow: Get a Free Consultation → CONTACT US (or Destination to be confirmed where link is #) · Back to all projects → PROJECTS (where linked)

08 — About Us Page

Page: /about-us/

```
HOME → ABOUT US → CONTACT US / PROJECTS
```

01 — HERO

[Leaders in Audio Visual and IT/ELV technology solutions]

[Short positioning + Since 2010 · Dubai + 24/7 support note]

Purpose: Open the company page with positioning.

02 — COMPANY STORY

[Empowering customers… company description, certifications, services list]

See our work **Get a Free Consultation**

Purpose: Explain who ELV Hub is and what services are offered.

CTA flow: See our work → PROJECTS · Get a Free Consultation → CONTACT US

DOCUMENT SUMMARY

- This wireframe documents the **current draft** at elvhub.appointics.com.
- It shows pages, section order, navigation, and CTA destinations only.
- It is not a visual design mock-up and does not define final colours, copy, or animations.
- Trusted Brands appears as a section inside pages; it is not a separate main page in the draft.
- Where a link target is unclear in the draft, it is labeled “Destination to be confirmed”.
